Community Music and Dance Academy Financial Aid Award Policies

Community Music and Dance Academy financial aid awards are applied directly to Community Music and Dance Academy tuition over the course of one full year, beginning in fall of 2009 and ending in summer of 2010. No cash awards will be given. If there is a reduction to the recipient's Community Music and Dance Academy enrollment after a financial aid award is made, the award will be decreased accordingly. Unused financial aid may not be carried over past the sessions for which it is awarded. The acceptance of financial assistance from the Community Music and Dance Academy carries with it an obligation on the part of the student to attend lessons on a regular basis and work diligently on making progress. Financial aid may be withdrawn at any time if the instructor and/or the Community Music and Dance Academy Director find that the recipients is failing to meet the minimum standards expected by the instructor. The receipt of a financial aid award past or present does not guarantee financial aid in the future. Information submitted with this application will be held in confidence and shared only with the financial aid selection committee. UMKC is an equal opportunity institution.
