

To prospective graduate music composition majors (US citizens & permanent residents):

I am pleased to hear of your interest in the UMKC Composition Programs. There are approximately 50 students majoring in composition at the Conservatory, from freshman through doctoral levels, which means that we will expect to admit 12-15 new students per year. I encourage you to look at our degree catalog entries for the [M.M. in Music Composition](#) and the [D.M.A. in Music Composition](#), as well as our other UMKC websites ([umkc.edu](#), [conservatory.umkc.edu](#)) for details about the composition program, the online catalog, application procedures, and about the members of the composition faculty, all of whom teach composition and orchestration plus one additional area of specialization. Please feel free to contact us by email or phone for assistance.
